Publishing AGC Publications**

Gainesville, FL, Dec. 3 -- Advantage Publishing, Inc. (API) is pleased to announce the addition of two new publications to our group – the Greater Florida *Constructor* magazine and the AGC Membership Directory.

Both publications come from the Associated General Contractors of Greater Florida. API's involvement in publishing begins with the fourth quarter 2007 issue of *Constructor*.

“We are thrilled to announce that Advantage Publishing, Inc., which produces the flagship publication *Commercial Building Edge*[™] and others, will be taking over as the AGCGF publisher,” said Bill Spann, president and CEO of the AGC Greater Florida chapter.

“The team at Advantage Publishing has more than 40 years of experience in publishing periodicals and directories, predominantly in the construction industry, said API Publisher Scott Costello. “We are pleased to partner with the AGC.”

Working together API and the AGC of Greater Florida plan to create improvements in design and content in order to make the AGC publications a more valuable and useful tool for its members.
